Preschool Admissions Policy

The Preschool has 20 available slots. When the application period has passed, if there are more than 20 applications, the following procedures will be followed.

Phase I

All children who are age-eligible and wish to return for another year will receive a slot upon meeting the renewal deadline.

Phase II

All in-district applications will be totaled. If the number of applications exceeds the remaining available slots (after returnees and in-district) a lottery will be held. Applications in excess of the 20 slots will be placed on a waiting list.

Phase III

All out-of-district staff applications will be totaled. If the number exceeds the remaining available slots (after returnees and in-district) a lottery will be held. These names will be added to the end of the waiting list.

Phase IV

All other out-of-district applications will be totaled. If the number exceeds the remaining available slots (after returnees, in district and out-of-district staff) a lottery will be held. These names will be added to the end of the waiting list.

Phase V

All applications received after the initial deadline date will be added to the end of the waiting list in order in which they are received.
